

February 23, 2015

Greetings Fellow PRIMA Members:

First, I must admit I never imagined being President when I attended my first PRIMA meeting. However, after attending meetings, I realized that Central Florida PRIMA was more than an organization but a family. I began with small tasks and they grew as I became more involved. I thank my mentors, Jerry Haines and Keri Martin for showing me the way and believing in me. This year I'm very excited to work with Jerry Haines as the Vice President, Kerri Martin as Treasurer, and our incoming Secretary Maureen Gochee.

On behalf of the Board Members of our Chapter, I want to express the excitement and eagerness within to make this a great year for the members! This year we look forward to providing you with intriguing meeting topics, opportunities to network, and beneficial services. We continue to strive to connect with local public entities and vendors with a warm invitation to become a part of our Chapter.

Last year was a busy year with hosting the State Conference. After all of the hard work from everyone, the Conference was a success and we cannot thank you enough for your participation. This year from October 11-14, 2015, the Southwest Chapter will host the State Conference. More information to come.

Each year the Board meets to plan Chapter Meetings and set goals. In order to reach those goals we need **YOU** as you're an important part of this endeavor. We are a family, a team with a goal of networking, providing resources, and education to YOU, the members.

If you have any suggestions, questions, or concerns please let me know! Thank you for trusting in me and I will work hard as your President for Central Florida PRIMA Chapter.
